HENRY ESSON YOUNG,

Provincial Secretary.

DOWNING STREET,

24th June, 1915.

CANADA.

No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,

His Royal Highness

*The Duke of Connaught and of Strathearn, K.G.,

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

DOMINION ORDERS IN COUNCIL.

[2594]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 18th day of September, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS it is considered desirable to make certain alternations in the boundaries of Rocky Mountains Park as established by Order in Council of the 8th June, 1911:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior and under the authority of the Dominion "Forest Reserves and Parks Act," is pleased to order and it is hereby ordered that the portion of the Order in Council of the 8th June, 1911, establishing the Rocky Mountains Park be rescinded, and that the following lands be, by proclamation, designated a Dominion Park to be known as the Rocky Mountains Park:—

Rocky Mountains Park.

That certain tract of land situated in the Province of Alberta, comprised within the following boundaries: Commencing at the intersection of the westerly limit of the Stony Indian Reserve with the left bank of the Bow River in Township 25, Range 8, west of the fifth meridian; thence north-westerly along the said westerly limit of the Stony Indian Reserve to the north-west corner of the said Indian Reserve; thence ascending in a north-westerly direction to the summit of the outer range of the Rocky Mountains; thence continuing in a north-westerly direction along the said summit to the right bank of the South Fork of the Ghost River; thence crossing the valley of the said river at the gap and continuing along the summit of the outer range of the Rocky Mountains in a north-westerly direction to the Devil's Gap; then crossing the Gap and continuing along the summit of the outer range of the Rocky Mountains in a north-westerly direction to where the main Ghost River leaves the outer range of the Rocky Mountains; thence crossing the valley of the main Ghost River and continuing in a north-westerly direction along the summit of the outer range of the Rocky Mountains, crossing the Panther, Red Deer, and James Rivers in the Gaps, to a point in the Gap in the outer range of the Rocky Mountains on the right bank of the Clearwater River at or about the mouth of Timber Creek; thence in a south-westerly direction following the right bank of the Clearwater River to its junction with a small creek which forms the south head of the Clearwater River; thence in a general southerly direction following the right bank of the said creek to its source, situated three miles, more or less, east of Pipestone Pass and being on the height of land between the waters flowing into the Red Deer and North Saskatchewan Rivers and the waters flow-

ing into the Bow River; thence northerly and westerly along the said height of land to where it joins with the height of land forming the boundary between the Provinces of Alberta and British Columbia; thence southerly following the said Inter-provincial Boundary to its intersection with the height of land between the waters flowing into Kananaskis River and the waters flowing into the Highwood, Sheep, and Elbow Rivers; thence northerly along the said height of land to the most northerly mountain in the Fisher Range; thence westerly to the Kananaskis River in the Gap where the said river emerges from the mountains; thence north-easterly and north-westerly along the left bank of the said river to its confluence with the Bow River; thence crossing the said river in a direct line to the place of beginning; containing by admeasurement an area of 2,751 square miles, more or less.

And whereas as regards a portion of the area above described it is deemed desirable that, in so far as game protection is concerned, this area should be administered a Dominion Park, but that as regards all other matters it is expedient that it should be administered as a Forest Reserve:

The lands in question are described as follows: That certain tract of land situated in the Province of Alberta comprised within the following boundaries: Commencing on the eastern boundary of the Rocky Mountains Park, as hereinbefore described, at the Gap where the main Ghost River leaves the outer range of the Rocky Mountains; thence north-westerly following the right bank of the Ghost River to its source; thence northerly and westerly along the height of land between the waters flowing into the Red Deer and North Saskatchewan Rivers and the waters flowing into the Bow River to the source of a well-defined creek, situated three miles, more or less, east of Pipestone Pass and forming the south head of the Clearwater River; thence in a general northerly direction following the right bank of the said creek to its junction with the main Clearwater River; thence north-easterly following the right bank of the said river to a point in the Gap in the outer range of the Rocky Mountains at or about the mouth of Timber Creek; thence in a south-easterly direction along the summit of the outer range of the Rocky Mountains and crossing the James, Red Deer, Panther, and the main Ghost Rivers in the Gaps to the place of commencement; containing by admeasurement an area of 799 square miles, more or less:

Therefore, His Excellency the Governor-General in Council is further pleased to order that the control and management of the portion of the area hereinbefore immediately described shall be under the Director of Forestry except as to the protection of game, which shall be under the control and management of the Commissioner of Dominion Parks.
